About Flight Status

We encourage passengers, and those responsible for the transportation of these passengers, to connect directly with each airline to identify if there are any Delays or Cancellations. The Jackson Municipal Airport Authority (JMAA) also provides updates, as they are reported to us, at www.iflyjackson.com. You can find both Departures and Arrivals, as well as, a Flight Tracker and an Air Traffic Map. The Jackson – Medgar Wiley Evers International Airport recommends that passengers arrive 2 hours prior to their scheduled flight departure.
